MACAE 2020 Virtual Fall Conference 2020: In It Together

Dear Partners,

The Michigan Association of Community and Adult Education (MACAE) is excited to announce its Fall 2020 Virtual Conference: In It Together! The Institute is scheduled for Thursday and Friday, November 5-6, 2020 virtually via our conference application, Whova. A special pre-conference kickoff will take place on November 4th.

The two-day institute specifically highlights special populations in adult basic education/high school equivalency, family literacy, alternative education, youth populations, integrated education and training, workforce development. We are committed to delivering the same high-quality conference that we have become known for. We are excited about this virtual opportunity! We expect close to 250 attendees will participate over the two-day institute including chief executive officers, administrators, instructors, volunteers, program support staff and officials from our state Department of Education and the Department of Labor and Economic Opportunity.

Each day of our virtual conference will feature content specific strands, a keynote speaker and networking and social activities for conference attendees.

We are seeking exhibitors to play an integral part of the institute. As an exhibitor you will be able to have a virtual exhibitor booth to interact with participants and an opportunity to sponsor and present at the institute.

For your assistance, Patrick Brown, MACAE Director will be your liaison before, during, and after the conference. Please contact him with questions or concerns at macaeoutreach@gmail.com.
