I have full knowledge of the activities of the employees' time in the performance of services for the period noted above. I understand that this certification is required under Uniform Grant Guidance, 2 CFR 200.430(i) Compensation - Personnel Services, Standards for Documentation of Personnel Services and that misrepresentation of facts is a violation of Federal Law.

Signature of Administrator or School Principal

Date

Regulatory Requirement:
*Time and effort reporting is required under Uniform Grant Guidance, 2 CFR 200.430(i) Compensation - Personnel Services, Standards for Documentation of Personnel Services. The certifications should be prepared at least semi-annually and be signed by the employee and/or the supervisory official. It is Detroit Public Schools Community District practice to have these forms signed by administrator or school principal whenever possible. This certification must be supported by the current records of the employee.

**Please retain this document for your record.
